## **Jaycee CREED**

*We believe:*

*That faith in God gives meaning and purpose to human life;  
That the brotherhood of man transcends the sovereignty of nations;  
That economic justice can best be won by free men through free enterprise;  
That government should be of laws rather than of men;  
That earth's great treasure lies in human personality;  
And that service to humanity is the best work of life.*

## **JCI MISSION**

*To provide leadership development opportunities that empower young people to create positive change.*

## **JCI VISION**

*To be the foremost global network of young leaders.*

## **6. PROJECTS & ACTIVITIES**

### **6.1 JC Sports Day**

Since its inception in 2005, JC Sports Day has been a cornerstone of JCI Island's vision to promote an active lifestyle among its members and the wider community. This annual event not only brings together participants from all JCI chapters in Hong Kong but also fosters cooperation and camaraderie among team members through friendly competition.

The first JC Sports Day took place on 24 April 2005, and since then, it has grown into a highly anticipated gathering, held every year. The event features a variety of track events, ranging from 100 meters to 3000 meters, as well as exciting field events like high jump, long jump, and shot put. Each year, athletes showcase their talents and dedication, creating an atmosphere of encouragement and support.

1 May 2025, marked the successful execution of JC Sports Day, featuring over 250 athletes from 21 participating chapters. This year's event was particularly noteworthy, as we engaged various organizations, including the International Lions Clubs and the Hong Kong Chinese Accountants Association, to promote community spirit.

A highlight of the event was the "Family Harmony: Parents and Kids Relay," which encouraged family bonding through friendly competition, showcasing our commitment to community engagement.

## 6.2 Magic Theatre

Magic Theatre is designed to address income disparity and resource allocation issues by implementing a "Train the Trainer" approach for magic performance training. This program will train volunteers who will then teach low-income and grassroots families' children. The initiative aims to enhance personal expression, build confidence, and provide performance opportunities to broaden their horizons.

Income inequality limits access to resources and opportunities for many children, particularly those from low-income families. By empowering volunteers with training in magic performance, we can create a sustainable program that not only benefits the children but also engages the community. This method fosters long-term impact through skill transfer and mentorship.

For children, learning magic can help children improve their expression and social skills through performance, making them more confident in communicating with others. Additionally, magic is a performing art that requires imagination; it transforms "skills" into "magic" through creativity, thus stimulating imagination and encouraging innovative thinking.

The experience of handling tension and pressure during magic performances on stage also helps children learn how to cope with stress in everyday life. Moreover, magic can train the small muscles in their hands and improve hand-eye coordination. Therefore, magic greatly benefits children's physical and mental development.

Volunteers participating in this program can learn magic while also discovering how to train and interact with children. Engaging with children is a common situation in daily life, and this learning can enhance everyday interactions.

For example, volunteers can learn to use the captivating effects of magic to assist children in focusing better during daily activities or learning sessions. Parents who volunteer can also bring their newfound magic skills home, increasing interactions and strengthening bonds with their children.

On 20 August 2025, a performance show starring eight children was conducted at the Jockey Club Creative Arts Centre.

### **6.3 Social Outreach**

JCI Island has actively engaged in social outreach, completing four volunteer activities that have made meaningful impacts in our community. These initiatives demonstrate our commitment to serving those in need and contributing positively to society.

We are pleased to report a net growth in our membership, increasing from 26 on 1 January 2025 to 30 members on 18 August 2025, despite the departure of two full members. This increase reflects our vibrant community and the collective efforts of current members to attract new talent. Engaging activities and initiatives, such as social outreach, will support our ongoing recruitment efforts.

## **7. PROJECTS INVOLVED WITH OTHER LOMS IN HONG KONG**

### **Mongolia Night: Naadam Heroes Conference Recap**

On 25 February 2025, JCI Island had the privilege of co-hosting the Mongolia Night event alongside JCI Kowloon, JCI Queensway, and JCI City Lady. This collaborative effort allowed us to gain valuable insights into Mongolian culture and establish stronger ties with fellow LOMs in Hong Kong.

The event featured several distinguished guest speakers who enriched our experience. Mr. Zorig Telmuun, the Consulate Vice President, shared his perspective on Mongolia, while PNP Senator Teresa Poon recounted her experiences from the last ASPAC in Mongolia. We were also enlightened by Tenuun Batbold, the JCI Mongolia IA Director for South East Asia, who provided information on Mongolian customs and traditions.

During the event, we learned about the official currency of Mongolia, which is the Tugrik (MNT). Additionally, we discussed the variable weather conditions in Mongolia, particularly during the summer months when temperatures can fluctuate significantly between hot days and cool nights.

A highlight of the evening was the screening of an engaging video from the last ASPAC event, which showcased Mongolia's rich culture and hospitality. This experience generated excitement and anticipation for the upcoming conference.

We also focused on cultural etiquette, emphasizing the importance of respecting local customs. Attendees were encouraged to participate in traditional activities and engage with locals, and learn simple Mongolian phrases, such as "Sain Bainuu?" (Hello) and "Bayarlalaa!" (Thank you), was recommended as a way to connect more deeply with the culture. Furthermore, we highlighted certain cultural sensitivities, such as the importance of avoiding touching a man's right shoulder and head, which are considered sacred areas.

Overall, the event successfully fostered collaboration among the participating LOMs, enhancing our collective understanding of Mongolia and preparing us for the upcoming ASPAC conference. We look forward to exploring this fascinating land together, deepening our friendships, and creating meaningful partnerships.

## **8. OUTSTANDING PROJECTS TO BE LAUNCHED**

### **8.1 Lead to the Future**

With the rapid world-wide development of AI in recent years, some positions were already replaced by AI even in Hong Kong. The World Economic Forum (WEF) suggested 10 critical future skills in 2023 to avoid being replaced by AI.

LEAD to the Future hosted by JCI Island to provide a series of program to train the local university students the future skills and application of AI in real business world.

Project objectives includes:

- To develop young people's future skills (e.g. problem solving, team work, technology development, etc.) through a series of workshops. Participants are expected to learn new concepts and methodologies which are not taught in their lectures.
- To nurture young people's business sense through mentoring or networking activities. Participants are expected to actively interact with the workshop trainers and mentors.
- To show young people how the application of AI is in the real business world.

- To support young people to achieve their success in career and business start-up in the long run. Cash prizes, reference letters, certificates of completion or internship interview opportunities may be offered.

Lead to the Future 2025 will be commenced in September 2025.

## **9. CONCLUSION & ACKNOWLEDGEMENT**

In conclusion, the achievements of JCI Island over the past year reflect our unwavering commitment to growth, community engagement, and fostering meaningful connections. We have made significant strides in membership growth, member engagement, and sustaining relationships with our sponsors and other NGOs. As we move forward, the initiatives we have launched and the collaborative projects we have undertaken with other LOMs demonstrate our dedication to creating a positive impact both locally and beyond. I would like to express my heartfelt gratitude to all members, advisors, and partners for their invaluable support and contributions throughout this journey. We will continue to "Fly to the Next Era," embracing new challenges and opportunities that lie ahead.

Alvin Wong  
2025 President  
JCI Island

## **Report from Immediate Past President**

It has been an honor to serve on the JCI Island Board of Directors in my final year as a full member. Throughout the year, I do my best to share my experiences and perspectives to support the smooth operation of the chapter. As the Immediate Past President (IPP), I further enriched my JC knowledge and gained a deeper understanding of the culture of JCI Island. And see the new definition of unity.

Under the leadership of President Alvin with his high efficiency, I witnessed the strong bonding within the board and organizational capabilities. Additionally, I contributed by reconnecting with members who had become less active in the chapter in this year, encouraging them to reengage with the chapter and fostering stronger bonds within the JCI Island community.

## **Account Closing**

One of my key responsibilities as IPP was overseeing the account closing process. With the dedicated support of 2024 Treasurer Vincent Yeung, the account closing file was submitted to the Honorary Auditor by the end of February 2025. Although Vincent does not have a formal background in accounting, his careful, great preparation works and diligence in recording all 2024 transactions were essential in ensuring the account closing process was handled effectively.

## **Trust Fund Committee**

As a member of the Trust Fund Committee, under the leadership of Committee Chairman, Past President SC Mok, we successfully resolved longstanding operational and transactional issues with the old Trust Fund account. The committee has now ensured that the new Trust Fund account operates independently and efficiently.

## **Board of Directors 2026 Election**

In line with the By-laws of Junior Chamber International Island (Hong Kong) Limited, I had the privilege to serve as the Chairman of the Nomination Committee for the 2026 Board of Directors election. The committee was responsible for verifying the eligibility of candidates, conducting interviews, and overseeing the election process. We also provided recommendations and feedback on the candidates' performance in the committee report.

The following distinguished Past Presidents and Senators joined as committee members:

Chairman: Immediate Past President, Jacky TSANG

Committee Member: 2006 President, Senator Stanley NG

Committee Member: 2007 President, Senator Fookman CHAN

Committee Member: Senator Alan LEE

The committee conducted interviews with all candidates on 3rd August 2025 and held a written test on 6th August to assess their readiness to serve on the 2026 Board of Directors. The evaluation focused on their JC knowledge, leadership skills, and presentation abilities.

### **Acknowledgement**

Under the leadership of President Alvin, JCI Island has experienced an extraordinary year that I have ever seen in the year of 2025. This year has been notable for its strong sense of brotherhood and unity, which has made JCI Island stand out as an exceptional chapter within JCIHK. With the dedicated efforts of the Board, the chapter also achieved significant membership growth this year. I am deeply grateful to President Alvin for guiding JCI Island into a new era under the inspiring slogan.

I would like to express my heartfelt thanks to National President Senator Rafael Wong, National Vice President and National Assigned Executive Officer Senator Davina Wong for their ongoing support of JCI Island. I also wish to extend my sincere gratitude to all Past Presidents, Senators, Senior Members, and Full Members in JCI Island for their continuous support and contributions to the chapter.

I wish the Annual General Meeting 2025 a smooth conclusion and look forward to a strong finish to the rest of the year.

This concludes my report

Jacky Tsang  
Immediate Past President  
JCI Island

## **Report from Secretary General**

## **Report from Trust Fund Committee Chairman**

I have pleasure to present my report below:

1. The Trust Fund Committee consists of the following members:

Trust Fund Committee Chairman	1996 President Senator S.C. Mok
Trust Fund Committee Member	2012 National President, PP Senator Stanley Ng
Trust Fund Committee Member	2019 President Senator Benjamin Lee
Trust Fund Committee Member	2024 President Jacky Tsang
Ex-official	2025 President Alvin Wong

2. A meeting was held on 24th July on operational issues, consolidation on accounts into BoC, investment guidelines, and review of our portfolio. We have decided to remove Hang Seng Bank (00011.HK) and CK Asset Holdings (01113.HK). We intended to add back high yield stocks like HKT (06823.HK) or CLP Holdings (00002.HK), to be finalized after more due diligence. We'll continue to work with the board in the Terms of Reference, checks and balances, and streamlining of operation.
3. The hsbc accounts assigned to Trust Fund were not accessible due to inactivity. Thanks to the tireless efforts of IPP Jacky, they were finally reactivated and the funds in the accounts were consolidated in the BoC account in August.
4. After the meeting, the portfolio was adjusted accordingly, selling Hang Seng Bank and CK Asset Holdings while adding HKT.

<b>Securities</b>	<b>Quantity</b>	<b>31Dec24 closing</b>	<b>Amount</b>	<b>Sold amount</b>
00001 CKH Holdings	684	HK\$41.50	HK\$28,386.00	
00011 Hang Seng Bank	400	HK\$95.55	HK\$38,220.00	HK\$48,624.85
01113 CK Asset Holdings	684	HK\$31.90	HK\$21,819.60	HK\$24,969.46

<b>Securities</b>	<b>Quantity</b>	<b>Opening/buying</b>	<b>Cost</b>	<b>as at 11Sept</b>	<b>at</b>	<b>Current value</b>
00001 CKH Holdings	684	HK\$41.50	HK\$28,386.00	HK\$52.20		HK\$35,704.80
06823 HKT Holdings	5000	HK\$11.68	HK\$58,389.35	HK\$11.90		HK\$59,500.00

This year's opening and current position is shown below:

	<b>2025 opening position</b>	<b>as at 11 Sept 2025</b>
Savings 012-917-2-001727-8	HK\$56,519.15	HK\$284,475.75
Current 012-917-2-001727-8	HK\$290.00	HK\$290.00
Trust Fund in HSBC inactive accounts	HK\$209,798.07	
Securities	HK\$88,425.60	HK\$95,204.80
Total	HK\$355,032.82	HK\$379,970.55

5. There is the idea of equity donation that aims at providing a robust framework to grow the Trust fund while not putting the fund at risky situations and suffering losses when investing in high risk stocks. Our members in various industries and professions have insights into rising stars or companies just turning around. This can provide high return as well as significant loss. To shield the fund from taking the risk, members can make investments of their own, and donate part of the gains afterwards in cash. Conceptually, the member making the donation does not need to pay out-of-the-pocket because he is just donating the gains. In the meantime, before his selling and donating the gains, he received dividends. So it is like putting the money in fixed deposit and make a donation after some time without actually paying anything. So nice!

If all goes well, the Trust fund will get some extra, which can be substantial if the member hits a stellar stock. Quite a number of companies listed in Hong Kong are showing signs to become world leading companies with long term growth potential yet very attractive valuation. Were they spotted and the gains donated, our members can help build a strong Trust Fund for very strong growth and development of our beloved chapter. If it doesn't turn out well, or the member finally does not want to donate, nothing happens, and there is also no loss for the Fund. The bottom line, we don't suffer any loss.

6. The Trust Fund should be a supporting force for JCI Island in its healthy organization development and long term well-being. However, this is not achieved by subsidizing general projects or covering administrative deficits.
7. Currently, the Trust Fund accounts are operated by authorized persons in the current board according to instructions from Trust Fund. However, there has led to failure of the Fund to operate in past few years. We are working with the board to change the signature combinations to avoid such problems in future.
8. I would like to thank Past National President & PP Senator Stanley Ng, Past President Senator Benjamin Lee, Immediate Past President Jacky Tsang, and President Alvin Wong for their support throughout the year.

**S. C. Mok**  
**Trust Fund Committee Chairman**

## **Independent auditor's report**

**To the members of Junior Chamber International Island (Hong Kong) Limited**

(Incorporated in Hong Kong with limited liability by guarantee and not having a share capital)

### **Opinion**

We have audited the financial statements of Junior Chamber International Island (Hong Kong) Limited (the "Company") set out on pages 6 to 17, which comprise the statement of financial position as at 31 December 2024, and the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 December 2024, and of its financial performance and its cash flows for the year then ended in accordance with HKFRS Accounting Standards for Private Entities ("HKFRS for Private Entities") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

### **Basis for opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the HKICPA's *Code of Ethics for Professional Accountants* (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Information other than the financial statements and auditor's report thereon**

The directors are responsible for the other information. The other information comprises the information included in the report of the directors.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the directors for the financial statements**

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKAFS for Private Entities issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations or have no realistic alternative but to do so.

**Independent auditor's report (continued)**

**To the members of Junior Chamber International Island (Hong Kong) Limited**

(Incorporated in Hong Kong with limited liability by guarantee and not having a share capital)

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

**Independent auditor's report (continued)**

**To the members of Junior Chamber International Island (Hong Kong) Limited**

(Incorporated in Hong Kong with limited liability by guarantee and not having a share capital)

**Auditor's responsibilities for the audit of the financial statements (continued)**

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## NOTES TO FINANCIAL STATEMENTS

31 December 2024

### 1. CORPORATE INFORMATION

Junior Chamber International Island (Hong Kong) Limited (the "Company") incorporated in Hong Kong is limited by guarantee and does not have a share capital. Under the provisions of the Articles of Association, every member of the Company undertakes to contribute to the assets of the Company in the event of its being wound up while he is a member, or within one year afterwards, for the payment of the debts and liabilities of the Company contracted before he ceases to be a member, and the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributors among themselves, such amount as may be required not exceeding ten Hong Kong dollars.

The registered office of the Company is at 21/F, Seaview Commercial Building, 21-24 Connaught Road West, Hong Kong.

During the year, the Company was involved in the development of individual abilities and stimulation of joint efforts of individuals for the purpose of improving the economic, social and spiritual well being of mankind.

### 2.1 BASIS OF PREPARATION

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards for Private Entities ("HKFRS for Private Entities") issued by the Hong Kong Institute of Certified Public Accountants, accounting principles generally accepted in Hong Kong and the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention and are presented in Hong Kong dollars ("HK\$"), which is also the Company's functional currency.

### 2.2 MATERIAL ACCOUNTING POLICIES

#### Related parties

A party is considered to be related to the Company if:

- (a) the party is a person or a close member of that person's family and that person
  - (i) has control or joint control over the Company;
  - (ii) has significant influence over the Company; or
  - (iii) is a member of the key management personnel of the Company or of a parent of the Company;

or

JUNIOR CHAMBER INTERNATIONAL ISLAND (HONG KONG) LIMITED

NOTES TO FINANCIAL STATEMENTS

2.2 MATERIAL ACCOUNTING POLICIES (continued)

Related parties (continued)

(b) the party is an entity where any of the following conditions applies:

- (i) the entity and the Company are members of the same group;
- (ii) one entity is an associate or joint venture of the other entity (or of a parent, subsidiary or fellow subsidiary of the other entity);
- (iii) the entity and the Company are joint ventures of the same third party;
- (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
- (v) the entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company;
- (vi) the entity is controlled or jointly controlled by a person identified in (a);
- (vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); and
- (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the Company or to the parent of the Company.

Revenue recognition

Revenue is recognised when it is probable that the economic benefits will flow to the Company and when the revenue can be measured reliably on the following bases:

- (i) Membership fee is recognised when the right to receive payment is established.
- (ii) Sponsorship income is recognised when the right to receive payment is established.
- (iii) Interest income is recognised on a time proportion basis, taking into account the principal accounts outstanding and the interest rate applicable.
- (iv) Dividend income from listed investments is recognised when the right to receive is established

Accounts receivable

Accounts receivable are initially recognised at fair value and thereafter stated at amortised cost less impairment losses for bad and doubtful debts.

Investments in securities

Investments in securities are financial assets and are stated at fair value with unrealised gains and losses included in profit or loss.

Income from investments is accounted for to the extent of dividends received and receivable.

Profits or losses on disposal of investments in securities are determined as the difference between the net disposal proceeds and the carrying amount of the investments and are accounted for in profit or loss as they arise.

# JUNIOR CHAMBER INTERNATIONAL ISLAND (HONG KONG) LIMITED

## NOTES TO FINANCIAL STATEMENTS

31 December 2024

### 2.2 MATERIAL ACCOUNTING POLICIES (continued)

#### Impairment of assets

The Company assesses at the end of each reporting period whether there is objective evidence that an investment or a group of investments is impaired.

Objective evidence would include a significant or prolonged decline in the fair value of an investment below its cost. "Significant" is evaluated against the original cost of the investment and "prolonged" against the period in which the fair value has been below its original cost. Where there is evidence of impairment, the cumulative loss - measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that investment previously recognised in profit or loss - is removed from other comprehensive income and recognised in profit or loss.

#### Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks, and short-term, highly liquid investments that are readily convertible into known amounts of cash which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition.

#### Other payables and accruals

Other payables and accruals are initially recognised at fair value and thereafter stated at amortised cost unless the effect of discounting would be immaterial, in which case they are stated at cost.

### 3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

#### Estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of income, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. These financial statements have been prepared on the basis of the known present economic and financial conditions but should there be significant changes in these conditions, the judgements, estimates and assumptions may not be applicable and could require material adjustments to the carrying amounts of the assets or liabilities in the next financial year.

**NOTE:**

**Disclosures under Section 436 of the Hong Kong Companies Ordinance**

The above financial information relating to the year ended 31 December 2024 included in this detailed statement of comprehensive income does not constitute the Company's statutory annual financial statements for the year. Further information relating to those statutory financial statements required to be disclosed in accordance with Section 436 of the Hong Kong Companies Ordinance is as follows:

As the Company is a company limited by guarantee, the Company is required to deliver its financial statements to the Registrar of Companies, and purports to do so.

The Company's auditors have reported on the financial statements. The auditor's report for the year ended 31 December 2024 was unqualified; did not include a reference to any matters to which the auditors drew attention by way of emphasis without qualifying its report; and did not contain a statement under Sections 406(2), 407(2) or 407(3) of the Hong Kong Companies Ordinance.
